

# Considering Abortion

If you are reading this and you are considering abortion, we want you to know that we love you and God loves you! We also understand that if you are reading this, you are probably in a situation where you are wondering if abortion is your next step. And we know that if you are there, you probably feel like the loneliest person in the world. But we want you to know that we want to be there for you in this season of your life. We want to help you! We want you to know that God loves you and your unborn child. We believe that your unborn child is a life that God created and He has a plan for that child.

So what does the Bible say about life, when it begins, and how does God view each life? In the very beginning of the Bible, we read in Genesis 1:26–27, “Let us make man in our image, in our likeness”...So God created man in His own image. God recognizes the unborn child as fully His. Let’s look at a few passages of Scripture to see that:

“For you created my inmost being; you knit me together in my mother’s womb. I praise you because I am fearfully and wonderfully made.”  
(Psalm 139:13–14)

“The Lord called me before I was born. He named me while I was in my mother’s womb.” (Isaiah 49:1)

“Did not He who made me in the womb make them? Did not the same one form us within our mothers?” (Job 31:15)

With any situation in life there is always multiple ways to go about handling every situation. There are always different alternatives. The same is true for you right now,

and we want to help you through that decision-making process. You may think you have no other option than abortion due to lack of money or family support. But there are many couples who desire a child and, for one reason or another, cannot have one of their own. It is possible to find a loving home for your baby. Many times, even medical expenses can be part of the adoption process, freeing you of the financial burden that may have made you consider abortion in the first place.

We understand that at this point in your life you may feel like you are all alone. But we want to be there for you in this season you are in. So if you are struggling with this decision, we want to help you! Please contact ChurchWithU at our offices or email us at [care@churchwithu.com](mailto:care@churchwithu.com).
